

Activity 2: Planisphere

Please use this sheet to record rise and set times you have estimated for the constellations and the Sun

Name _____ Date _____

Task 1

It's Blue Peter time! You will need scissors, acetate, glue stick, and a felt tipped pen or two.

Go to http://www.geocities.com/m_s_petterson/index.html and print out the Planisphere base and the top plate for 50 degrees north latitude

Construct your planisphere!

Task 2

Use your planisphere to complete the table below

Object	Rise	Transit	Set
Sun on 21 st July			
Sun on 21 st December			
Altair today			
Rigel today			

Checked by _____ (Tutor)
